

I CAN SONG Lyrics

Hey heyhey, come on, let's go!
The I CAN Champs are here to show!
I dream, one team!
I Can, yes I can be the change.

I can , you can,
together, we can (x2)

Feel , imagine , do , share,
We can....

Kar dhamaka
yes I can kardhamaka
Yes you can kardhamaka
Together we can (x2)

Drum rolls

Kar dhamaka
yes I can kardhamaka
Yes you can kardhamaka
Together we can (x4)
